For instance, Lufthansa or the British Air Lines have connection with the Domodedovo airport; other companies are connected with Sheremetyevo-2 (SVO-2), which is an international airport. The flights to Sochi are organized from the domestic airport Sheremetyevo-1 (SVO-1). It takes about 30 minutes by bus from SVO-2 (international airport) to SVO-1 (the domestic one) and at least 1.5 hours from Sheremetyevo to Domodedovo. On request, the Organizing Committee can offer some help for the transfer between the airports.

Convenient flights from Sheremetyevo airport to Adler are: flight numbers SU869, SU872 (the Aeroflot company) or flight number S71023 (the Siberia Airlines from Domodedovo airport).

Directs flights from Vienna are now on regular basis. Austrian Airlines launched regular direct flights from Vienna to Sochi. To minimize the flight transfer points we would like to recommend these flights:

Flight days	Departure	Arrival
Mon., Wed., Fri.	OS615 Vienna 22.30 h	Sochi 03.30 h (+1)
Tue., Thu., Sat.	OS616 Sochi 05.10 h	Vienna 06.25 h

Besides, the Organizing Committee arranges delivery of participants from the Sochi (Adler) Airport (AER) to the venue of the Symposium and back. Please inform the Organizing Committee well beforehand about the date of your arrival/departure and flight numbers.

The Organizing committee will publish the proceedings of the Symposium. The requirements for the original manuscripts will be given in the Third Circular.
